

Technical drawing of a vertical profile. The profile is a light gray shape with a black outline. The top edge is irregular, featuring a series of steps and curves. The bottom edge is a straight horizontal line. To the left of the profile, a vertical dimension line with arrows at both ends indicates the total height, labeled with the fraction $8\frac{5}{16}$. Below the profile, a horizontal dimension line with arrows at both ends indicates the width, labeled with the fraction $\frac{3}{4}$.

$8\frac{5}{16}$

$\frac{3}{4}$
